**Impact in the Chapter - 25%**

500

In what ways has the nominee demonstrated significant impact within the chapter, including contributions to its growth, success, culture, and overall member engagement? words

Please provide specific examples of the nominee's efforts and outcomes.

**Aspects to Consider:**  
**Leadership and Initiative:** Takes proactive steps to lead projects, solve problems, and drive chapter success.  
**Member Engagement:** Actively involves members, fosters inclusivity, and strengthens relationships within the chapter.  
**Chapter Growth and Development:** Contributes to the growth of the chapter through recruitment, retention, or the creation of impactful programs.  
**Collaboration and Teamwork:** Works effectively with others, encouraging collaboration and empowering fellow members to contribute.  
**Sustained Impact:** Creates lasting value through initiatives that have a long-term positive effect on the chapter's culture or success.

### Impact in Community and Flywheel through Project Management - 25%

500

How has the nominee demonstrated impact within the community and/or Flywheel through their project management efforts? Please provide specific examples of how they have led or contributed to successful projects that benefited the chapter, community, or Flywheel network. Highlight the outcomes, challenges overcome, and any lasting effects of their work.

words

**Aspects to Consider:**

- Leadership and Initiative:** Took charge of a specific project or initiative, stepping up as a leader when needed. This could involve taking the lead on organizing an event, facilitating a major collaboration, or spearheading an innovative project.
- Collaboration and Stakeholder Engagement:** Engages with team members, stakeholders, and community members, fostering collaboration and shared ownership of project success.
- Problem Solving and Adaptability:** Provide specific examples of challenges the nominee encountered during a project and how they addressed them. Did they resolve conflicts, navigate resource limitations, or adapt to unforeseen obstacles?
- Impact on the Chapter or Community:** Show how the nominee's project positively impacted the local community or the Flywheel network as a whole. This could include tangible results, such as increased membership, more engaged participants, or a significant contribution to a community cause.
- Sustainability and Long-Term Outcomes:** Consider whether the nominee's project created lasting structures, resources, or networks that will continue to support future initiatives or community needs.

### PMI Culture Values - 25%

500

In what ways has the nominee demonstrated PMI's core culture values—**Be Welcoming, Make it Easy, Embrace Curiosity, Aim Higher, and Together We Can**—in their work within the chapter?

words

Please provide specific examples of how the nominee has embodied these values and contributed to creating a positive, inclusive, and forward-thinking chapter environment.

**Aspects to consider:**

- Be Welcoming:** Actively fosters an inclusive and supportive environment where all members feel valued, respected, and encouraged to participate.
- Make it Easy:** Simplifies processes and removes barriers to engagement, making chapter activities accessible and easy for all members to participate in.
- Embrace Curiosity:** Encourages continuous learning, exploration, and the seeking of innovative solutions, fostering a culture of curiosity within the chapter.
- Aim Higher:** Sets ambitious goals, challenges the status quo, and drives the chapter toward excellence, inspiring others to aim for greater success.
- Together We Can:** Promotes collaboration and teamwork, ensuring that all voices are heard and that success is achieved through collective effort.

### Leadership Style and Skills - 25%

500

How would you describe the nominee's leadership style and key leadership skills?

words

How do they adapt their leadership approach to different situations or team dynamics?

Please provide specific examples of how the nominee demonstrates effective leadership within the chapter, including their ability to motivate, guide, and support others.

**Aspects to consider:**

- Leadership Style:** Overall leadership style (e.g., collaborative, transformational, servant leadership) and their approach to decision-making and guiding their team.
- Ability to Motivate and Inspire:** Motivates and inspires others to achieve their best, encourages growth, confidence, and enthusiasm within their team or chapter.
- Communication Skills:** Communication style with team members and stakeholders: effectively listens, provides clear direction, and fosters open, transparent communication
- Adaptability:** Adapts their leadership style to different situations, challenges, or team dynamics; flexible in adjusting their approach based on the needs of the group or project
- Conflict Resolution and Support:** Demonstrates strong problem-solving skills and supports team members through difficulties

**In addition to the individual nomination text questions and answers, please submit a video, no longer than 2 minutes, highlighting the nominee's key accomplishments.**

The video should provide a concise overview of the nominee's initiatives, impact, and overall contributions to the chapter and community. It should also clearly explain why the nominee deserves to be recognized with the Chapter Leadership Impact Award.

This video will complement the written application and offer a dynamic, engaging way to showcase the nominee's achievements.

Alternatively, you may submit a link to an externally hosted video, ensuring it aligns with the specified 2-minute duration and outlines the nominee's accomplishments.

Maximum file size: 100MB

File types accepted: avi, mov, mp4, mpeg, mpeg4, wmv

**Please submit a high-quality headshot of the nominee to accompany their nomination**
